Dear Ms. Donegan,

During our review of your fee collections, we found long and short errors in daily revenue deposits. Your office has greatly reduced the amount of these errors compared to past revenues. We recommend continuing to reinforce the importance of cash handling, receipting, and accountability with the staff.

This concludes our review of your office for the time period of January through March 2017. The monthly review included fee collections and cash receipts. You and your staff were extremely helpful to us. Thank you for your cooperation with this process. If you have any questions about the review, please feel free to contact my office.

Very cordially,
