Nathan Craddock
Tom Green County Auditor
113 West Beauregard
San Angelo, Texas 76903

Dear Mr. Craddock,

To begin, I would like to note that I value the time and effort it must take to audit my office. Evaluating the assortment of obligations that the Treasurer's Office performs, can be overpowering.

With regard to your letter for audit period October 1, 2019 through June 30, 2020 dated January 25, 2021, I have examined the findings carefully and have included my comments below:

During this period, collateralization has been addressed to the Wells Fargo Treasury Team and upper management so that the County remains in compliance with the Public Funds Collateral Act. My concern stems from the Tom Green County Tax Appraisal Office, which does not notify me or my office of funds being released (wired). This issue has also been addressed. I have taken the appropriate steps to mitigate the collateralization problem as you are aware. Furthermore, there is no violation of our contract or statutes as the bank depository remedies the situation the following business day as pursuant to LGC Sec. 116.084 and our depository contract so I fail to see the reason to continue to document that in your reviews.

In your review, majority of your errors found for accrued leave balances (sick, vacation, holiday) and comp time calculations are often due to two reasons. First, the in-depth Excel analysis is being sampled prior to my Staff closing out any new or old changes that were discovered during or after the fact. Departments are immediately notified and depending on the individuals schedule this may take longer than usual to verify. The second reason is caused by TimeClock Plus upgrades. As with all software, glitches will always occur, which causes my Staff to review and verify all settings and data. For instance, when it comes to hired dates, calculations and time sheet corrections, some of the data is consistent in resetting to previous actions taken and not updating correctly. Again, this process is time consuming and has been addressed and we continue to collaborate with TimeClock Plus.

Also, I would like to note that the reported 297 payroll findings, majority of them were due to line item changes at the first of the budget year. As per your procedure, we enter and your staff notify us during their review of any changes. If you would share the changes prior to the start of the payroll, it would streamline the process and would minimize errors that I have no control over.

Furthermore, we receive emails prior to us submitting payroll of potential payroll findings as your staff tries to get ahead of the process. To give you a better perspective, there was a total of 22 payrolls during this rating period. Each payroll varies per volume and entries. For example, each payroll requires least 40 or more entries for part-time employees, 15 entries for onboarding, 10 entries for off boarding and all others such as insurance, promotions, and demotions. On several occasions it is my staff that updates and notifies your staff of the changes and has already taken the appropriate steps to correct. The issue is often due to timesheet changes by time-clock managers and supervisors. Employee pay is only one week behind and timesheets are not due to us nor locked down until after our payroll is due to your office for the pay period, there is always corrections that may happen after the fact.

I am willing to discuss any procedure, mine or yours, in an effort to streamline and make processes efficient.

Sincerely,

A handwritten signature in black ink that reads "Dianna M. Spieker". The signature is written in a cursive, slightly slanted style.
