 - a. “**Firearm**” means any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use
 - b. “**Firearm**” does not include a firearm that may have, as an integral part, a folding knife blade or other characteristics of weapons made illegal by Penal Code Chapter 46 and that is (1) an antique or curio firearm manufactured before 1899 or (2) a replica of an antique or curio firearm manufactured before 1899 but only if the replica does not use rim fire or center fire ammunition.
