April 30, 2020

Due to the continuing concerns with the COVID-19 situation, the District Clerk's Office will be extending our restricted access policy to the general public until June 1st, 2020 at which time we expect to fully reopen our doors to the general public. If conditions change and allow us to lift the restricted access policy earlier than June 1st, 2020, we will post that information immediately. This decision is not taken lightly and without much thought. This decision was made with the health and safety of my staff and the general public in mind. The District Clerk staff will still be working answering phone calls, accepting E-Filed documents, and answering Emails. If you have an emergency or need immediate assistance that cannot be handled by a phone call or electronically, please call the District Clerk's Office at 325-659-6579 and we will set you up for an appointment to meet with us. There are several ways for you to conduct business with us as well. Please see below:

Electronically File Documents: www.efiletexas.gov

Make Payments online: www.certifiedpayments.com

General Questions, email us: district.clerk@co.tom-green.tx.us

Please note that we are still here to serve you. If you have any questions or concerns, PLEASE contact my office at the aforementioned phone number.
