THE STATE OF TEXAS COUNTY OF TOM GREEN

The Commissioners Court of Tom Green County, Texas does hereby order the change of the polling place locations for Precincts 319, 350 & 352, 402 & 432, 429 & 442 and 434 & 435.

The new location for precincts 319, 350 & 352 will be the Heights Church at 4512 Sherwood Way. The former location was Rio Concho West. We have had numerous complaints that Rio Concho West was too hard to find and not visible for voters. The new location for precincts 402 & 432 will be St. Luke's Methodist Church which is located on the same block as the present location, Angelo State University. The complaints which require a change in this location are a result of too much congestion in the voting area at Angelo State University which is a distraction to the voters. St. Luke's Methodist church is located at 2781 West Avenue N and has previously been used as a polling location for Tom Green County.

The new location for precincts 429 & 442 will be Calvary Lutheran Church which is located at 3231 College Hills Blvd.. We have had complaints that Sunset Mall is continuously changing the location of the polling place in the mall and this makes voting difficult for senior citizens and disabled voters. Calvary Lutheran Church has been used as a polling place previously for Tom Green County.

The new location for precincts 434 & 435 will be the Angelo Civic Theatre, located at 1936 Sherwood Way. Hillerest Baptist Church was the previous facility used and it was found to be not centrally located in the precinct. This required voters to drive a long distance to vote to the southern portion of precinct 435 (Chestnut Street). Angelo Civic Theatre is more visible to the public and more centrally located for both precincts 434 & 435.

All four of these locations have been recommended by the Republican Chairman and the Democratic Chairman and all new polling place locations have been approved by their boards.

The new locations will be used for the September 13th Constitutional Amendment election. These locations will be used for all future elections, which fall in this jurisdiction, that are held by Tom Green County Elections Administrator's office.

Tom Green County Elections Administrator is hereby instructed to submit pre-clearance documentation to the Justice Department so that these changes may be considered for approval. A Public notice will be published in the newspaper notifying the voters of these changes. Notices will be mailed to all registered voters in all precincts concerning these changes.

Nonprocurement Debarment Certification LISTS OF PARTIES EXCLUDED FROM FEDERAL PROCUREMENT OR NONPROCUREMENT PROGRAMS

The Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs, issued monthly, identities those parties excluded throughout the U.S. Government (unless otherwise noted) from receiving Federal contracts or federally approved subcontracts and from certain types of Federal financial and nonfinancial assistance and benefits.

The Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs supersedes the Consolidated List of Debarred, Suspended, and Ineligible Contractors. The new Lists of Parties incorporates all listings of the superseded Consolidated List and has a new, additional section, Parties Excluded from Nonprocurement Programs. It is maintained by the U.S. General Services Administration (GSA) for the use of Federal agencies and others involved in Federal programs and activities. The Lists of Parties is structured in accordance with a recommendation from the Interagency Committee on Debarment and Suspension.

Purpose of List of Parties

The functions of the two sections of the Lists of Parties are distinct and are explained below.

The first section, Parties Excluded from Procurement Programs, lists contractors that are excluded government-wide, unless otherwise noted, from Federal procurement and/or sales programs. Such an exclusion may be based on the administrative debarment or suspension of a contractor by an agency in accordance with Federal Acquisition Regulation (FAR) 9.4, Federal Property Management Regulations (FPMR) 101-45.6, Government Printing Office (GPO) Instructions 110.11A, or U.S. Postal Service (PS) Publication 41. An exclusion may also be the result of action by a Federal agency under the authority of a statute, executive order, or regulation applying to procurement programs.

The second section, Parties Excluded from Nonprocurement Programs, lists person (individuals and entities) excluded government-wide, unless otherwise noted, from certain types of Federal financial and non-financial assistance and benefits. An exclusion may be based on an administrative debarment or suspension by any Federal agency or the voluntary exclusion of a person under agency regulations implementing Executive Order 12549. Parties Excluded from Nonprocurement Programs also includes actions under the authority of a statute, another executive order, or a regulation applying to nonprocurement programs.

For either section, the treatment to be accorded to a party listed depends on the type of exclusionary action and the authority under which the action was taken. The cause for the exclusion and the treatment of the party excluded are noted by a code in the listing. These codes are explained under the heading "Cause and Treatment Codes" for the Parties Excluded from Procurement Programs and the Parties Excluded from Nonprocurement Programs. A user of the List of Parties should refer to the appropriate cause and treatment code explanation before determining a listed party's status.

How To Obtain Copies

Federal agencies may purchase annual bulk subscriptions to the Lists of Parties at cost from the U.S. Government Printing Office. Agencies should arrange for their own internal distribution. The agency contracts under the heading "For Additional Information" are aware of the procedures for purchasing and distributing subscription copies.

Nonfederal persons or organizations interested in obtaining subscriptions to the Lists of Parties should contact the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The telephone number is (202) 783-3238 on commercial lines or 783-3238 on the FTS (Federal Communications System).

Electronic Supplement

A weekly supplement to the Lists of Parties is available on GSA's Information Resources Center electronic bulletin board. When using the latest issue of the publication, the electronic supplement will provide up-to-date information on excluded parties.

To use the electronic bulletin board, you must have access to an asynchronous, ASCII terminal (e.g., a word processor or a microcomputer) equipped with communications software and a "modem" or "coupler." A modem is a device that permits signals from the terminal to be sent across the telephone lines. Users can access the bulletin board using AUTOVAN, FTS, or commercial lines. The telephone numbers are:

| FTS | 300 baud 535-8308 |
|------------|--------------------------|
| | 1200 baud 535-7661 |
| | 2400 baud 786-9014 |

For further information on how to access the electronic bulletin board, call Mrs. Juan L. Smith at (FTS/202) 523-4873.

Telephone Inquiry Service:

A telephone-inquiry answering service is available in GSA's Office of Acquisition Policy for general questions about entries in the List of Parties. The number to call either during or after normal business hours is (FTS202) 786-0688. Your call will be recorded and answered either the same day or the following working day.

Prior to the release of funds by OVAG and VCLG for federal grants, your agency/program must review, sign, and return to the Grants Coordinator for the Office of the Attorney General the attached OJP Form 4061/1–Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion, Lower Tier Covered Transactions.¹ The form must be signed by the Authorized Official designated in the grant.

The U.S. Attorney General Order No. 1271-88, published in the Federal Register, Volume 53, No. 102, May 26, 1988, announced the adoption of a government-wide uniform system on Nonprocurement Debarment and Suspension that will be applicable to the nonprocurement assistance activities of the offices, bureaus, and divisions of the Department of Justice which have grant-making authority.² All agencies/organizations receiving federal funds from OVAG AND VCLG in the amount of \$25,000, or more, must complete OJP Form 4061/1 (9/88) which certifies that neither the agency/organization or its officers are debarred, suspended, ineligible, or are voluntarily excluded from receiving federal funds before entering into a financial agreement (i.e., grants and contracts).³ In addition, any organization contracting for goods and/or services of \$25,000 or more (federal funds) must secure the same certification from the prospective contractor. The latter certifications must accompany the contract which, by requirement, is sent to OAG for approval.

Agencies/organizations must base their certification upon a review of the monthly publication "Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs" and the weekly supplements to that issued prepared by the U.S. General Services Administration, to confirm that the agency/organization or its officers are not ineligible. Attached is an information sheet that explains the "List of Parties" and how to obtain it.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. 3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
