In all civil suits, the defendant generally has the right to be sued in the county and precinct in which he resides. There are exceptions to this venue rule. For detailed information regarding Venue please refer to Rule 502.4 and Chapter 15, Subchapter E of the Texas Civil Practice and Remedies Code. The following link will provide you with access to ALL Texas Laws: http://www.statutes.leg is.state.tx.us/. Click on Texas Statutes and choose the Texas Laws you wish to review.

Although not required by Law, it is requested that prior to filing this suit you send a Demand letter to the party you are contemplating suing giving the party at least 10 days to notify them of the potential for civil action and give them an opportunity to satisfy the claim prior to the still. It is recommended that this be sent certified mail return receipt requested.

It is your burden as a plaintiff and it is important that you understand that for any potential judgment you may receive to be valid it is necessary for you to sue the defendant in their proper legal capacity. Consult with your attorney if you are unsure of the defendant's proper legal capacity. Should you file against the wrong entity, you may have to begin again and will have to pay for trial expenses caused by filing against the wrong party. For Corporations and to determine the Agent for Service for a Corporation you should contact Texas Secretary of State at 1-800-252-1386.

AFTER REVIEWING THE RULES, PLEASE FULLY COMPLETE THE APPROPRIATE PETITION AND THE REQUIRED FORMS.

What must be filed:

ONE ORIGINAL PETITIONS

ONE Copy of Demand letter and signed return receipt, if available ONE Military Affidavit

ONE Military Status Report

ONE Certificate of last known address

One Justice Court Information Sheet

Always keep track of your case numbers so that you can refer to them when calling our office regarding your case. The case number will be on your receipt.

This court does not collect the money judgment for you nor can we force an indigent defendant to pay the judgment. If you receive a judgment against the defendant this court can issue various instruments to assist you in collecting the judgment. You may request an Abstract of Judgment, Writ of Execution, Writ of Garnishment, and Turnover Order. It is highly recommended that you consult with an attorney for any of these processes as in some instances an attorney is required.

An Abstract of Judgment puts a lien on any real property the defendant may own in a particular county where the Abstract is recorded. The Abstract is only valid in the county or counties where it is recorded. This can be obtained ten days after the date the judgment is signed.

The Writ of Execution may be obtained thirty days after the judgment is signed. This document authorizes the Sheriff or Constable to seize any assets belonging to the defendant that are subject to this writ. Those assets are then auctioned at a public sale and the proceeds are applied to the judgment.

A Writ of Garnishment is also available 30 days after the final judgment has been signed. This Garnishment proceeding is a Separate small claims suit. A writ of garnishment is a process for seizing assets, both money and property, held by a third party {the garnishee} but owed or belonging to the debtor. For example, a defendant against whom a judgment has been issued {the judgment debtor} may have a bank account. The bank holds the money in the account, but the money belongs to the defendant. The bank is therefore indebted to the defendant. A writ of garnishment is the legal process by which the plaintiff (garnishor) can require the bank {garnishee} to turn over the money in the account to satisfy the judgment. An attorney is required.

A Turnover Order is available after the judgment is signed and its purpose is to provide a court-ordered means of reaching property which cannot easily be reached thorough ordinary legal process and which is not exempt from attachment, execution, etc. An attorney should be used because the courts clerical staff will not be able by law to assist you in drafting the documents that are necessary.

Please understand that as a plaintiff, you have the burden of proof to show by the preponderance of the evidence that the defendant you are suing is the proximate cause of your damage(s) in the legal capacity in which defendant is sued. All damages and evidence necessary to meet your burden should all be available at the time of filing and no later than the date of the trial.

DISCOVERY: ANY AND ALL PRE TRIAL/PRE JUDGMENT DISCOVERY MUST BE APPROVED BY THE COURT.

PLEASE REFER TO SECTION 500.9 OF THE NEW RULES.

## RULE 501.4 REQUIRES YOU, AS PLAINTIFF OF DEFENDANT, TO SERVE THE OTHER PARTY WITH ANYTHING FILED WITH THE COURT IN THE MANNER PRESCRIBED BY THIS RULE.

Motions for continuance must be made in writing at least 3 working days in advance of the trial setting with a copy forwarded to the opposing party as required by Rule 501.4. It must show good cause. Do not presume the motion for continuance will be granted merely because it is filed. The court will advise you of its ruling.

A Subpoena may be requested if you need a witness(s) in your case. Section 22.001, Texas Civil Practice & Remedies Code states a witness is entitled to \$10 dollars for each day the witness attends court. This fee includes the entitlement for travel and the witness is not entitled to any reimbursement for mileage traveled. The party who summons the witness shall pay that witness's fee for one day. As provided by this section, at the time the subpoena is served on the witness. The witness fee must be taxed in the bill of costs as other costs
